## EXPOBUS IBERIA Exhibition and much more

### BEST COACH DRIVER OF SPAIN AWARDS 2025

The event will once again host a highly interesting proposal with a great attraction: a fierce competition between coach professionals from all over Spain. With unique facilities for the celebration of this championship, throughout Friday and Saturday morning there will be a number of technical tests and a wide range of items will be evaluated, such as the treatment of passengers and luggage, smoothness in driving, reaction control, anticipation and driving habits. The awards ceremony is the highlight of the fair. If you are the best of the drivers and you accept our challenge, go to our website and register.

### WIDE PROGRAM OF CONFERENCES AND WORKSHOPS

The three days of the fair offer the professional visitor a full program of conferences, workshops and seminars in which they can learn first-hand about all the trends in the sector, the important innovations, the changes expected in the coming years and the latest developments in the sector.

### ACTIVITIES AT THE STANDS

A large number of exhibitors will take advantage of the important media impact of the fair to carry out promotional activities or corporate events during Expobus Iberia.

The fair becomes a fabulous loudspeaker for the organization of meetings, assemblies, awards ceremonies, signing of agreements, celebration of anniversaries... Tell us your idea and we will be happy to make it become a reality.

### EXHIBITION OF CLASSIC VEHICLES

Expobus Iberia is the ideal setting to show an extraordinary exhibition of classic vehicles, which in previous events was a great success. Any individual or company is invited to contact us and take part in this exhibition free of charge.

### TEST TRACK

The more than 400,000 sqm of the exhibition grounds provide a fantastic test track, so that exhibiting companies can make use of it to show their vehicles in operation to interested customers.
